Dear Freedom of Information Officer:

Between June 10 and June 14, 2013, staff from the EPA National Enforcement Investigations Center (“NEIC”) and Region 2 offices visited Revere Smelting & Refining Corporation’s (“Revere”) facility located at 65 Ballard Road in Middletown, NY for the purpose of conducting a multimedia compliance investigation of the facility (the “Investigation”). EPA staff advised that a report would be drafted upon completion of the Investigation and available via a Freedom of Information Law request.

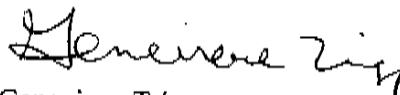

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, we are requesting the following information related to Revere, USEPA ID No. NYD 030485288:

- Any and all reports created by EPA NEIC and/or Region 2 staff in the course of and/or as a result of the Investigation; and
- Correspondence, including emails, between EPA NEIC staff and/or Region 2 staff and Revere staff regarding the Investigation and any follow up.

If these documents are available electronically please email them to [gtrigg@woh.com](mailto:gtrigg@woh.com) at your earliest convenience.

I look forward to hearing from you shortly. If for any reason any portion of this request is denied, please inform me of the reasons for the denial in writing and provide the name and address of the person or body to whom an appeal should be directed. Thank you for your assistance in this matter. Please contact me if you have any questions.

Very truly yours,

Genevieve Trigg
